Do Now Worksheet

	Zone #1	Zone #2	Zone #3
Write in the zone that you researched.			
What are the impressions you have of your zones? What information do you know about your zone that is driving your interest?			
What are some analytical questions you have about this zone?			

OVER

1. Do you want to research more zones or do you believe that within one of these zones you can find a topic that you would be willing to work on for the next few months? Why?

2. Please circle the zone in the table that you are most interested in.
